McCLUREAN

PUBLISHED BY THE
SENIOR CLASS OF
McCLURE HIGH SCHOOL

1 9 4 1

Before leaving McClure High, we, the Senior Class, wish to extend our sincere appreciation to Miss Cinda Hatcher, for her efficient services rendered to us during our four years of association with her.

We feel that our banquets and class plays would not have been successful had it not been for Miss Hatcher who took the responsibility on her own shoulders. Her lovable personality shall always be remembered by every one.

D E D I C A T I O N

We, the class of 1941, dedicate to our Parents this fourteenth edition of the McClurean. We hope that upon its pages they may find that we are forever reaching toward those lofty heights which they have set up for us.

There could be no one more deserving of this honor which is ours to bestow than the Mothers and Dads, who by their interest in us, their sacrifices for us and their love for us have helped us to reach this first crossroad on the way to success. We shall never forget those inspirations by their examples of courage, faith, patience and cheerfulness which have helped us to overcome obstacles in the way of our development.

THE SUPERINTENDENT

Mr. Knight has been in McClure only this past year. Before coming here he taught at the Portage Township Schools for ten years. His first three years of teaching were under the position of principal and since that time he served as superintendent. He has taught agriculture, sciences, industrial arts and mathematics. Mr. Knight teaches mathematics at McClure.

During his college days Mr. Knight was a member of the Five Brother Fraternity at Bowling Green State University.

There he received a Bachelor of Science degree and at Ohio State University he received a Master of Arts degree.

Everyone finds the superintendent is easy to become acquainted with and his friendship will be remembered and enjoyed by every student. Mr. Knight has a fine sense of humor and is interested in all types of activity. He is an honorary member of the Damascus Chapter of the F. F. A. Mr. Knight tries hard to understand each of the students in school and gladly lends helpful advice whenever students consult him concerning their problems.

THE BOARD OF EDUCATION

Only when a school has a friendly and cooperative Board of Education can a school run to its highest capacity. Only then can the students get a full and rounded out education. The Board of Education of McClure has always done all it could to help the superintendent and teachers to carry out their educational program.

A large and arrogant class of thirty-two took its place as the Seniors of '41. Four members tiring of school life, dropped out.. One other, Lee Shanower, was compelled to leave school on account of illness.

They, accomplished and learned seniors, are ably represented in the band, glee clubs, basketball, baseball, F. F. A., and in the Home Economics Club.

Dorothy Kieffer, one of the most illustrious of the class has won the County Scholarship Test in Latin for two consecutive years and also placed second in the general scholarship test for seniors in the county. Another senior, Richard Watkins, won the Tuba Contest at the Northwestern Ohio Solo and Ensemble Contest.

During the year the class has sponsored roller skating parties, a bake sale and has faithfully published the Newsette, the school newspaper. As usual, the graduation pictures were taken at Livingston's with much diversified fun-making ensuing. "College Daze", the class play, was presented April 18. On May 8, the juniors entertained the seniors at the annual Junior-Senior Banquet.

Baccalaureate was held at the high school auditorium May 18, with Reverend Benton the Methodist minister officiating. Graduation exercises were held in the auditorium May 22. For the first time in many years, caps and gowns were worn at Baccalaureate and at the graduation exercises.

McClure, Ohio
July 6, 1961

Dear James Smith:

I am very sorry that you and June were unable to attend the Fourth of July celebration at the home of Junior and Esther Hull. I imagine your job as ambassador to Mars does keep you busy and if it's as tiresome as my job of being a movie producer is, I know you'll want to hear about some of our antics at the party.

Junior had things nicely arranged for an exciting time and after the fun started it never stopped until the last guest left his farm. The table legs had been sawed nearly in two and when the great letdown came Neomia, Bernieda, and Marilyn, the society sisters, had hot noodle soup spilled in their laps.

No picnic at Junior's would be complete without someone sitting on his bench charged with electricity. On this occasion it happened to be bachelor Roland Glanz and that old maid Marceil Wiemer who received the shock.

Lloyd Kane of the F. B. I. got to snooping a wee bit too much and had to be fished out of the pool by Kate C. the outdoor sports girl. She didn't know what kind of bait to use at first but a piece of chocolate cake from the Alspaugh Baking Company proved to be effective.

William Johnson, the greatest scientist, had some of his greatest and latest fireworks with him and had a lot of fun showing Beatrice S., Dorothy K., Marcile C., and Dorothy P., the Sunshine Sisters Quartette just how they worked. Everything was popping along fine and dandy until his wife Phyllis A. hung onto a sky-rocket and made two complete circles around the silo.

Paul Finger and Willis Croninger, the two presidential candidates, were giving fire-side chats all afternoon and even their wives Alice and Ila Rose took part in the arguing.

Things kept moving nicely all afternoon but in the evening they quieted down a little and everyone enjoyed the fine music by James Kieffer and his orchestra. Several members of our class were found here, with Joe Flowers tickling the piano keys, Charlotte Mowrey swinging the drum sticks, and Elaine Fryman warbling all the new song hits of the day.

Your old pal

Dick Watkins

P.S. Next year's party will be held at my home in Beverly Hills. Hope you are not so busy then.

In Memoriam

BIRTH: SEPTEMBER 6, 1923

DEATH: MAY 9, 1941

The Senior Class of McClure High School express their deep sorrow at the loss of their classmate and friend, Lee Shanower.

Lee, who has attended McClure school all his life and has been faithful to his class was stricken March 13 with heart disease and had to remain in bed.

Lee, when a junior, was manager of the basketball team and in the past four years has been a general help to anyone who needed aid in any way. He was a member of the boys glee club and mixed chorus and participated in performances by these groups. As advertising editor of the Newsette he served well until his illness compelled him to quit all form of work.

You've guessed it! It's Bud. Never mind the hurry, it doesn't take long. Really? No, it belongs to the neighbors. We saw you all the time, "Archie". Now to the bus for homeward bound. Remember the Junior Class Play? Well, here's
Dr. Bunn.

To receive more of an air of sophistication, more dignified carriage and an enlarged vocabulary, twenty-nine jovial JUNIORS stepped through the doors of McClure High School to finish preparation for the ranks of the staid seniors. They chose as their leaders: Deloris Zimmerman, *president*; Marvin Glanz, *Vice-President*; Doris Jean Brannon, *secretary*; and Betty Conn, *treasurer*.

Being a very socially minded group a party was given at Norma Kane's on September 20, to start the year right. Another was given at Richard Bossa's on November 8. The class has members on the baseball and basketball teams, in the glee clubs, chorus, band, F. F. A. and on the County Scholarship Team.

Juniors

Row Five: Pauline Alspaugh, Arthur Ruder, William Boyer, Richard Farison, Norris Sibert, Esther Kistner.

Row Four: Shirley McClure, Ruth Spangler, Delores Lashaway, Lavonne Babcock, Norman Kinder, Evelyn Pittman.

Row Three: Joe Roach, Lewis Tipping, Willis Shaneyfelt, Richard Bossa, Carl Kistner.

Row Two: Norma Kane, Ruth Browning, Glen Wulff, Ralph Croninger, Ruth Stafford.

Row One: Betty Conn, Deloris Zimmerman, Marvin Glanz, Doris Jean Brannon, Maxine Rowland.

During the year Richard Baker decided to discontinue his education and Eileen Meyers moved to Liberty Center, leaving twenty-seven to continue to the ranks of seniors.

The seniors gave them the annual game supper on November 19, with a kindly hint for a big banquet in the spring. They took it kindly and a banquet was finally given on May 14, after many disappointments and much changing of plans, to the departing seniors whose places they will take the coming September.

Sophomores

Row Five: Robert Busch, Melba Bossa, Ann Roberts, Harry Boyd, Genevieve Wade, Warren Brown.

Row Four: Emma Louise Clark, Phyllis Kieffer, Robert Rowland, Robert Konrad, Mildred Counselman, Iris Merillat.

Row Three: Marlyn Jean Erven, Jane Newlove, Rex Richards, Gale Wulff, Gretchen Rienbolt.

Row Two: June Glanz, Richard Flinn, Marvin Jennings, Lois Booth, Margaret Alspaugh.

Row One: Eugene Fronce, Alice Louise Connolly, Thurman Johnson, Nina Harmon, Frederick Miller.

Advancing beyond the ranks of frivolous freshmen, twenty-six pupils entered McClure High School to take up their place as snappy SOPHOMORES. They chose as their officers: Thurman Johnson, *President*; Nina Harmon, *Vice-President*; Alice Louise Connolly, *Secretary-Treasurer*, and Eugene Fronce, *News Reporter*.

Like all good sophomores they performed their duty of welcoming the freshmen into high school by an initiation party September 20. The freshmen were very much pleased and gave them a return party on October 25 which turned out to be a Hallowe'en party with ghosts and all the trimmings.

Probably one of the most active classes in the school, they are represented in baseball, basketball, glee clubs, chorus, F. F. A., Home Economics Club and every uproar in the study hall. In keeping pace with the upper classmen they were represented by seven members at the county scholarship tests.

During the year Betty Calvert moved to Napoleon, Richard Flinn entered the class and Robert Busch moved here from Florida, making their number twenty-seven to begin another year toward their goal of graduation.

Freshmen

Row Five: Mary Louise Fryman, Sylvia Naveau, Joyce Brown, Betty Hatfield, Marie Hartman, Ralph Sheeley.

Row Four: Robert McClure, Arlene Good, Wilma Shepard, Richard Baker, Lucille Kistner, Marcella Hull.

Row Two: Helena Williams, Marie Duquette, Violet Fuhrhop, Mary Jane Booth, Lois Miller.

Row One: Marilyn Boyer, Eunice Rudolph, LaVonda Culbertson, Marilyn Reid, Ellen Smtih.

Thirty pupils meekly began their high school life September 2, as frivolous FRESHMEN. During the year one member, Nellie Damon, moved away. The following officers were elected: LaVonda Culbertson, *President*; Marilyn Reid, *Vice-President*; Eunice Rudolph, *Secretary*; Ellen Smith, *Treasurer*; and Marilyn Boyer, *News Reporter*.

They were entertained (?) at the traditional initiation party given by the Sophomores on September 20. The freshmen returned the questionable compliment with a return party October 25. The only other affair of this kind was a class party on January 31.

They are well represented in the band, glee clubs, F. F. A., Home Economics Club, baseball, basketball, and the county scholarship tests.

Row Three: Lola Smith, Robert Farison, Glen Sibert, Junior Weasel, Hermon Alspaugh, Dorothy Cooper.

Row Two: Irma Carrol, Mildred Sunderman, Robert Bossa, Robert Hines, Eldon Alspaugh, Agnes Konrad.

Row One: Vivian Crum, Wylie Busch, Margaret Hatfield, James Shaffer, Lloyd Ward, Evelyn Clark.

The class officers for the EIGHTH GRADE were, James Shaffer, *President*; Lloyd Ward, *Vice-President*, and Margaret Hatfield, *Secretary-Treasurer*. Wiley Busch and Robert Hines moved in bringing the class membership up to twenty. A wiener roast, a Hallowe'en party, a Valentine party and a number of coasting parties comprised the social calendar.

Robert Ballmer was elected *President*; Betty Rowland, *Vice-President*; Violetta Homier, *Secretary-Treasurer* by the twenty-four members of the SEVENTH GRADE. Llyle Sheller and Harold Cornell were new entries to the class. The social occasions were a wiener roast at least one sliding party, and a Valentine party.

Row Three: Golda Naveau, Edwin Geitgey, Roger Carrol, Homer Watkins, Buddy Layton, Harold Wagner, James Babcock, Corinne Naveau.

Row Two: Margaret Miller, Richard Shepard, Virgil Snyder, Harold Cornell, Buddy Connolly, Galen Houser, John Mowery, Florence Rienbolt.

Row One: Glen Good, Llyle Sheller, Violetta Homier, Robert Ballmer, Betty Rowland, Galen Hines, Keith Miller.

Row Four: Bertha Cornell, Dorothy Busch, Hope Smith, Robert Williams, Marcine Sunderman, Pauline Shephard, Franklin Farison, Thelma Newlove, Shirley Good.

Row Three: James Sheeley, Morris Myers, Luella Dielman, Wanetta Mason, Melba Counselman, Annabelle Geitgey, Merlyn Williams.

Row Two: Donna Boyer, Ralph Shanneyfelt, James Carroll, June Browning, Pauline Duquette, Violet Light, Allen Jennings, Lois Jean Kramer.

Row One: Luella Watkins, Shirley Wagner, Ward Wenig, Lester Smith, Donna Hatfield, Ila Jean Arnold.

The SIXTH GRADERS, taught by Miss Sockman, said goodbye to four classmates, Opal Myers, Charles Damon, Galen Myers, and Glen Bliss. Conversely they welcomed Dorothy Busch, Ward Wenig, and Bertha Cornell into the class, making their number thirty. They, too, had four parties, one at Christmas, one on Hallowe'en, one on Valentine's Day, and another on Easter.

Mrs. Wulff's FIFTH GRADE numbers twenty. Keith Sheller was the only pupil that moved in during the year. The brightest social events were a Christmas party, a Valentine party and a Hallowe'en party.

Row Two: Billie Alspaugh, Frankie Weaks, Barbara Rudolph, Richard Sweeney, Joyce Sibert, Lester Meech, Marilyn Hines.

miller, Kathleen Nielson, Ashley

Row One: Charles Shepard, Shir-
ley Culbertson, Doris Jean Fry-
man, Doris Jean Jennings, Billy

At the beginning of the school year the FOURTH GRADE pupils found themselves divided with seven members in Mrs. Bohling's room and thirteen in Mrs. Wulff's room. Anna Lou Bliss and Virginia Adams moved away from Mrs. Wulff's room, leaving only eleven. During the year they were entertained at Hallowe'en, Thanksgiving, Christmas and Easter parties.

The THIRD GRADE had twenty-eight members to begin a new year of school life with Mrs. Bohling as teacher. To learn the social side of life they had parties at Hallowe'en, Thanksgiving, Christmas, and Valentine Day. During the year Lavonne Myers and Paul Bliss moved away leaving the number at twenty-six to finish the year at McClure school.

Advancing beyond the first grade they were ready to attempt more difficult learning and are now one step nearer a completed education.

Sixteen BEGINNERS entered McClure School for the first time on September 2. They found a new teacher, Miss Rood of Norwalk, to welcome them. Time was spent in getting acquainted and then they started on their way of learning reading, writing, and arithmetic and now feel they are ready to enter the second grade.

Memories linger just by leafing through the pages of a book. For this reason the ANNUAL STAFF has organized the material to make this book resemble them. They have the desire that you enjoy this annual as much as they have enjoyed making it.

The staff this year is composed not only of seniors, but also of juniors who are the associate editors. The juniors are thus given some experience of the problems that go with assembling the pages of a yearbook.

The staff and the senior class have put their efforts in this book so that you, our friends, might keep in touch with them as years go by.

After much spilling of ink and repairing of equipment the first NEWSETTE went to press. Those that followed were not so difficult. The staff and Senior Class became news reporters, snooping for news in every nook and cranny—P. S. they found it.

The staff with the help of the journalism class faithfully published a Newsette once a month. Especially does the staff wish to thank the merchants for their thoughtfulness and financial aid.

The foundation of every school is its newspaper. The staff is happy that they could help build this foundation and leave their memories and good luck to next year's builders.

The high school MIXED CHORUS consists of the combined boys' and girls' glee clubs making fifty voices in all.

The mixed chorus has participated in many programs this year. At Thanksgiving a Concert was given. Christmas brought a beautiful Christmas service after which the chorus entertained families around town with beautiful Christmas carols. With the dawn of Spring a Concert was given that brought Spring in with a smile. As was the custom an operetta was given in April. The operetta, "Top of the World", took the audience to the Grand Canyon for an evening of thrills with robbers, kidnapping, heartache and laughter.

The mixed chorus rounded out their program for the year by lending their voices to the Baccalaureate Services.

The BAND has twenty-four members this year. From this group of twenty-four five will graduate, Marceil Wiemer, Neomia Hines, Marilyn Miller, Kathleen Chamberlin, and Richard Watkins.

The band has made several important appearances this year. The first was a complete band concert given in October. Throughout the winter months the band has added new pep and enthusiasm to the athletic contests. In April at the County Festival held in Liberty Center, the band was ably represented.

The foundation on which the FUTURE FARMERS OF AMERICA organization is built, includes leadership, character, development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

Since the organization of the local F. F. A. chapter in 1936 the membership has increased from six to twenty-seven.

Throughout the whole basketball season our faithful cheerleaders have led the student body yells to show the boys that loyal students of M. H. S. were really backing them. Even though victory was not theirs, the cheerleaders were inspired by the splendid attitude of the spectators.

Without them a game would be no more than just another lifeless gathering. Their energetic pep and bubbling personalities, which in turn represent McClure High School, are admired by everyone.

The McClure VARSITY BASKETBALL TEAM of 1940-41 did not enjoy a very successful year, winning only three games, and losing thirteen, but it was successful in that each player showed sportsmanship and courage at all times. The team was handicapped in size when compared to most of its rivals. At times the boys showed that they were able to break a larger team's defense and that they had the ability to score.

The team had been defeated in almost all of the scheduled games, but all the team's fans were proud of the fact that the team was in the semi-finals of the tournament, after a hard-fought battle in which Florida was defeated 36 to 34.

Robert Smith, graduate and former varsity basketball player of Bowling Green State University coached the team.

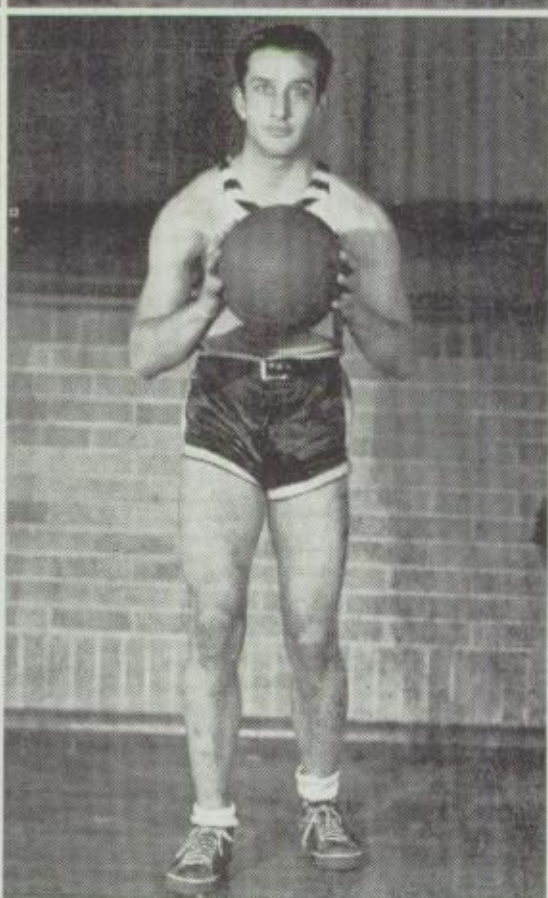

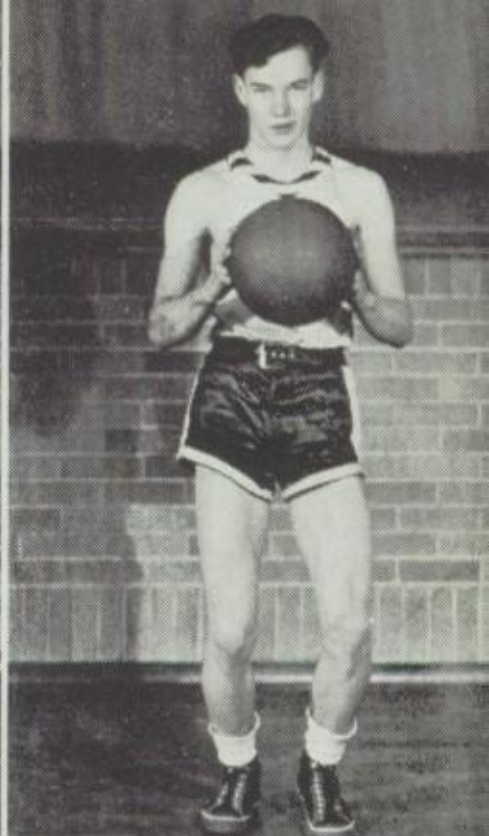

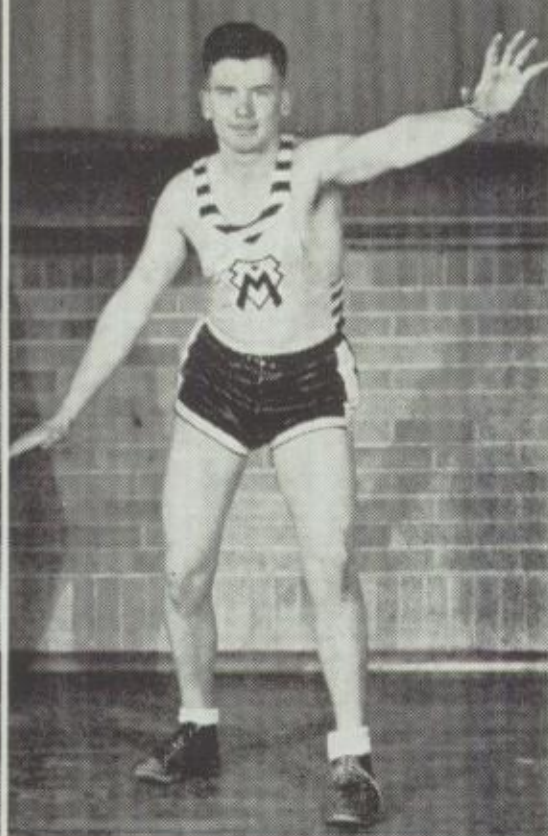

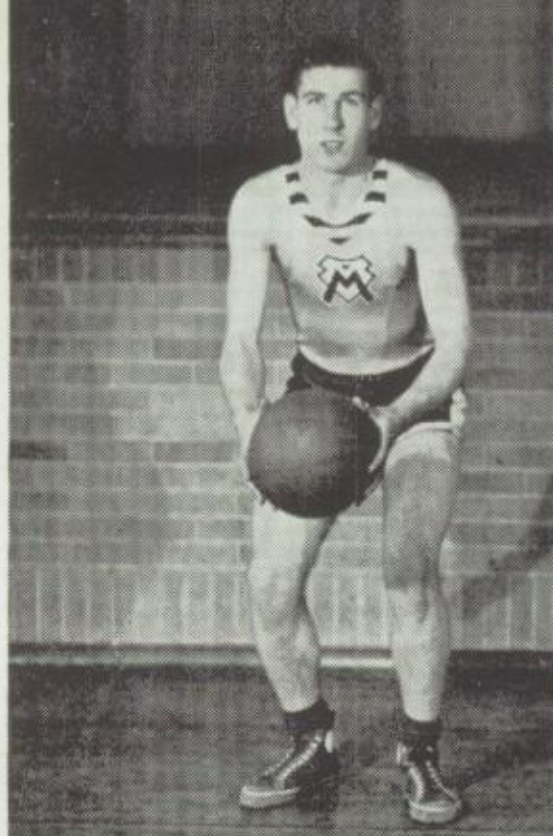

The Henry County Basketball tournament was held at the McClure High School gymnasium this year. The first games of the varsity and reserve tournament were played on the 20th and 21st of February. The semi-finals were played February 28 and the finals were played on March 1. All games were in the evening, although fans began to arrive by mid afternoon.

The championship of the county was taken for the second consecutive year by the Holgate Tigers. Malinta-Grelton was runners-up.

Trophies were presented to the winning teams by the superintendent of McClure, Mr. T. W. Knight.

Although the building is small, the tournament attracted 2200 faithful basketball fans.

Ralph Croninger
James Kieffer

RICHARD FARISON "Fairy" was second on the scoring list with 95 points. Richard is a junior and played center and forward.

JOE FLOWERS "Posey" was elected captain for the year. Guard was Joe's playing position and he garnered a total of 94 points. Joe is a senior.

LLOYD KANE "Eugene" has good control over the ball and is a good passer. Lloyd is one of the men whose playing will be missed next year.

RALPH CRONINGER "Pete" is a junior and plays guard. 76 points were Ralph's contribution to the scoring list.

JAMES KIEFFER "Knifer" was high point man for the season, gaining a total of 108 points. Jim's long shots will be missed from next year's team.

WILLIS CRONINGER "Willie" started the season but was unable to finish because of ineligibility. Willis did not figure much in the scoring but at defense he was tops. He played center and is a senior.

Row Two: Robert Rowland, Norris Sibert, Frederick Miller, Warren Brown, Richard Flinn.

Row One: Norman Alspaugh, Marvin Glanz, Willis Shaneyfelt, Joe Roach.

During the 1940-41 season the McClure High School RESERVE TEAM won 2 games and lost 14.

Although the boys lost most of their games they learned much in the way of basketball technique and hope to be an asset on next year's team.

Warren Brown, Lloyd Kane, Joe Roach, Norman Alspaugh and Norris Sibert were the regular reserves. Later in the season, Willis Croninger, Varsity Center became ineligible, and Lloyd Kane filled his place on the Varsity. Robert Rowland played Kane's position on the reserves. Fred Miller, Willis Shaneyfelt, Richard Flinn, Roland Glanz, and Marvin Glanz were additional players.

Small but mighty is the JUNIOR HIGH BASKETBALL TEAM as is evidenced by their number of wins. Not all the county schools had junior high teams so that the boys were only able to schedule nine games. From the nine games, however, only one team was able to defeat them. McClure successfully defeated Hamler early in the season but was bowed to defeat the second time they met.

The Junior High team will lose three players, Richard Baker, Charles Whitman, and Ralph Knepley. They should have a good team again next year. Robert Farison collected the most points during the season with Robert Ballmer second.

Again last fall a group of lively athletic boys met to form the BOYS' ATHLETIC ASSOCIATION. To build up their funds the B. A. A. started the sale of ice cream bars and drumsticks at noons last fall, which continued throughout the school year. The offering of free bars for ones containing pink centers was an added incentive for the students to save their pennies and replenish the treasury of the B. A. A.

The association also sponsored the School Carnival given November 8, the evening on which revelry and fun held sway. The boys sponsored every type of contest, from a penny board to a cake walk, lunch counters, and last an amateur show which was won by LaVonda Culbertson, with Marilyn Hines second and Delbert Clark third.

Best of all the activities carried on by these boys was the Donkey Basketball game, a riotous contest between the faculty and the business men, played on the backs (?) of donkeys.

The following officers were selected to govern this organization: *President*, Lloyd Kane; *vice-president*, Roland Glanz; *secretary*, Junior Hull; *treasurer*, Richard Farison.

THE BRIDGE BUILDER

An old man traveling a lone highway,
Came at evening cold and gray
To a chasm vast and deep and wide,
Thru which there flowed a sullen tide,
The old man cressed in the twilight dim,
For the sullen stream held no fear for him,
But he turned when he reached the other side,
And built a bridge to span the tide.

"Old Man!" cried a fellow-pilgrim near,
"You waste your strength with your building here;
Your journey will end with the ending day,
And you never again will pass this way;
You have crossed the chasm deep and wide,
Why build a bridge at eventide?"

The builder raised his old gray head,
"Good friend, on the path I have come," he said,
"There followeth after me today
A youth whose feet will pass this way.
This chasm which has been naught to me,
To that fair-haired boy may a pitfall be;
He, too, must cross in the twilight dim,
Good friend, I am building this bridge for him."

—Dromgoole.

Just an appreciation of the splendid work of the Senior Class of 1941
in completing your High School Course.

And we wish you the very best that life may bring
